Re: Langlie Mattix Woolworth Unit #503
Sec. 27, T24S, R37E

Vicki, I have checked with our data processing person and he indicates the correct API # for this well is: 30-025-11244.

Also, I have verified the surface location of this well and it is 1980/W and 660/N not 1780/W & 860/N as it had been shown on the paperwork for some time.

Attached is a copy of the correct API # and surface location for your records.
