Mr. Guy Shepherd,
Hobbs, New Mexico.

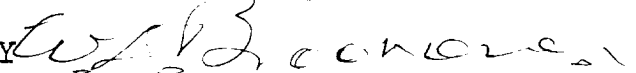

Dear Mr. Shepherd:

We are enclosing herewith forms C-105 and C-106 covering our Little Woolworth No. 1 well, Section 28, 24-S, 37-E, Lea County, New Mexico. We completed this well on the 7th and trust these forms are filled out properly.

We are endeavoring to get in touch with Mr. Staley, and also the Shell Pipe Line Company, today as we would like to get this well on the pro ration schedule as soon as possible.

Yours very truly,
