

DUPLICATE

NEW MEXICO OIL CONSERVATION COMMISSION  
BOX 2045  
HOBBS, NEW MEXICO

DATE December 29, 1953

TO: Western Natural Gas Company  
Midland Tower, Midland, Texas

GENTLEMEN:

Form C-104 for your Harrison 4 29-24-37 Langlie-Mattix  
LEASE WELL S.T.R. POOL

has been approved, however, since this well is:

- ( ) An unorthodox location,
- ( ) Located on an unorthodox proration unit,
- ( ) Outside the boundaries of a designated pool,

it will be necessary for you to;

- ( ) Comply with the provisions of Rule 4 of Commission Order \_\_\_\_\_
- ( ) Comply with the provisions of Rule 7 of Commission Order \_\_\_\_\_
- ( ) File Form C-123

Pending further Commission action this unit will be assigned an \_\_\_\_\_ acre allowable.

It is our interpretation that above well exceeds the vertical limits of the Lan mat pool and is therefore a gas well in an oil pool. This excludes the well from gas proration rules & gas production will be governed by the rules of the Langlie Mattix pool.

Stanley J. Stanley  
A. L. Porter, Jr.
