

- (e) All acreage within the proposed unit may reasonably be presumed productive of gas.
- (f) The length or width of the proposed unit does not exceed 5280 feet.
- (g) Gulf Oil Corporation is lessee and operator of all the acreage comprising the proposed unit as shown on the attached plat, and by copy of this letter of application, all operators owning interest in the section in which the proposed unit is located and all operators within 1500 feet of the proposed unit well are notified by registered mail of the intent of Gulf Oil Corporation to form the proposed non-standard gas production unit. (See attached affidavit.)
- (5) The approval of this application for a 316.16-acre non-standard gas production unit will, in the opinion of the applicant, prevent waste, protect correlative rights and serve the best interest of conservation.

In view of the existence of the facts herein stated and compliance with the provisions of Rule 5 (b) of the Oil Conservation Commission's Order No. R-520, Gulf Oil Corporation requests that the Secretary of the Commission approve the above described non-standard gas production unit.

Respectfully submitted,

the Mayor bearing said notice, whereupon the
said to aforesaid Boardmen and their agents

then proceeded out to Atlantic Avenue and
about that place took stock

and found the vessel at anchor near the same.
Thereupon said officers entered and took
the said vessel into custody and made
an examination of the vessel and found
that she was being used for the purpose
of carrying coal from the United States
to Canada and that she had been
so employed since her departure from
the port of Boston.

Upon which, the aforesaid Boardmen said to the Captain and
crew to proceed out at eleven this morning and return to
the port of Boston by noon, where they will be
questioned as to the purpose of their voyage.

Whereupon, said vessel went about and the Boardmen said to the said
Captain and crew not to proceed further out than (4) & said to aforesaid Boardmen and their
agents that he was bound for said aforesaid destination and that he would
not proceed beyond the boundaries of the State of Massachusetts.

At which time the Boardmen
