

## OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

THE UNIVERSITY OF CHICAGO

## THE UNIVERSITY OF CHICAGO

The University of Chicago is a private research university in Chicago, Illinois. It was founded in 1837 and is one of the oldest and most prestigious universities in the United States. The university is known for its commitment to academic excellence and its diverse student body. It has a long history of producing world-class scholars and leaders in various fields of study.

The university is organized into several divisions, including the Division of the Physical Sciences, the Division of the Biological Sciences, the Division of the Social Sciences, and the Division of the Humanities. Each division is further divided into departments and centers, providing a wide range of academic programs and research opportunities.

The University of Chicago is also known for its commitment to public service and its engagement with the community. It has a long history of providing leadership in social and public policy, and it continues to be a major force in shaping the future of the world. The university's commitment to excellence and its dedication to the pursuit of knowledge make it a truly exceptional institution.

The University of Chicago is a place where the best minds come to learn and to teach. It is a place where the boundaries of knowledge are constantly being pushed, and where the pursuit of truth is the highest priority. The university's commitment to excellence and its dedication to the pursuit of knowledge make it a truly exceptional institution.
