Gentlemen:

We have received a copy of a letter from Oliver E. Payne, General Counsel for the Commission in Santa Fe, to El Paso Natural Gas Co. which states that a communitization agreement has been executed for the C. C. Fristoe "B" Well No. 2 in Unit M of Section 31, T-24-S, R-37-E; and that the new allowable for the well will be assigned effective March 1, 1959.

In order to complete our files, and also that this allowable may be assigned, please file Form C-128 outlining the 114.41 acre unit which was approved by Commission Order No. R-906.

Yours very truly,
