Your letter dated November 7, 1974

Attention: Mr. Joe D. Ramey
Supervisor, District 1

Dear Mr. Ramey:

Attached as you requested is Form C-103 for the subject well which gives all available information on the producing zone. Our records on this well, prior to the sale from Humble to Rodman Petroleum Corporation and thence to Reading & Bates are very poor. Based on the well reviews performed by the engineering committee for the Langlie-Jal Unit and our own records, we feel that the well is properly classified in the Jalmat Gas Pool.

Yours very truly,

READING & BATES OIL AND GAS CO.
