Gentlemen:

This is to advise that on March 16, 1982 the Southland Royalty Company's State #1 Jalmat - Yates gas well located in Unit C of Section 32, Township 24-S, Range 37-E, Lea County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter run is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to insufficient wellhead pressure to produce into El Paso's gathering system.

Yours truly,
