

DUPLICATENEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico**RECEIVED**
MAR 6 - 1940
REGULATIVE**MISCELLANEOUS REPORTS ON WELL**

Submit this report in triplicate to the Oil Conservation Commission or its proper agent with ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

1. The first part of the document is a letter from the author to the editor, dated 10/10/1910. The letter is written in a very formal and polite style, typical of the early 20th century. It discusses the author's recent work and expresses a desire for publication.

2. The second part of the document is a letter from the editor to the author, dated 10/15/1910. The editor's letter is also formal and polite, acknowledging the author's work and discussing the publication process. It mentions that the work has been reviewed by the editorial board and that the author's suggestions have been taken into consideration.

3. The third part of the document is a letter from the author to the editor, dated 10/20/1910. The author's letter is a response to the editor's letter, discussing the author's reactions to the editorial board's comments and the editor's suggestions. The author expresses a willingness to make the necessary changes to the work.

4. The fourth part of the document is a letter from the editor to the author, dated 10/25/1910. The editor's letter is a final response to the author's letter, discussing the author's proposed changes and the editor's final decision on the publication of the work. The editor expresses a willingness to publish the work in its revised form.

5. The fifth part of the document is a letter from the author to the editor, dated 10/30/1910. The author's letter is a final response to the editor's letter, expressing the author's gratitude for the editor's assistance and the author's hope that the work will be published in its revised form.
