

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

THE UNIVERSITY OF MICHIGAN LIBRARY

ANN ARBOR, MICHIGAN

The University of Michigan Library is a non-profit organization that is dedicated to the collection, preservation, and dissemination of knowledge. It is one of the largest and most diverse libraries in the world, with a collection of over 15 million items, including books, journals, and electronic resources. The library is open to the public and is a valuable resource for students, faculty, and the general public.

The library is located on the campus of the University of Michigan in Ann Arbor, Michigan. It is a large, modern building with a glass facade and a central atrium. The library is open from 10:00 a.m. to 6:00 p.m., Monday through Friday, and is closed on weekends and holidays.

The library is a member of the Association of Research Libraries (ARL) and the Association of American Universities (AAU). It is also a member of the University of Michigan System and the University of Michigan Health System.

The library is a valuable resource for students, faculty, and the general public. It is a place where knowledge is shared and where new discoveries are made.

The library is a place where you can find everything you need for your research. It has a wide range of collections, including books, journals, and electronic resources. It also has a variety of services, including reference, instruction, and outreach.

The library is a place where you can learn and grow. It is a place where you can find the answers to your questions and where you can discover new things. It is a place where you can be part of something big.

The library is a place where you can make a difference. It is a place where you can help others and where you can make the world a better place. It is a place where you can be a part of something great.

The library is a place where you can find everything you need for your research. It has a wide range of collections, including books, journals, and electronic resources. It also has a variety of services, including reference, instruction, and outreach.
