Gentlemen:

Your Woolworth Well No. 1 located in Unit K of Section 33, T-24-S, R-37-E, has been shut in for some time. This well was in the process of being plugged prior to your taking over as owner.

Would you please file Form C-103 showing the present status of the well and your immediate plans. If there is no further need for this well, it should be immediately plugged and abandoned.

Yours very truly,

OIL CONSERVATION COMMISSION

Joe D. Ramey
Supervisor, District 1

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO 88240

1977

Dear Sir:

Enclosed

is a copy of the report of the Oil Conservation Commission for the year 1976. This report was prepared by the Commission and is being submitted to you for your information. It contains a detailed account of the work of the Commission during the year and a list of recommendations for the future.

The report also contains a list of the members of the Commission and a list of the organizations that have contributed to the work of the Commission. It is hoped that this report will be of interest to you and that it will help to bring about a better understanding of the work of the Commission.

Very truly yours,

Oil Conservation Commission

For a copy of the report, please contact the Oil Conservation Commission, Hobbs, New Mexico 88240.
