Re: Application for Triple Tubingless  
Completion C. C. Fristoe 'b' NCT-2  
Well No. 7, Lea County, New Mexico

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Attached is TEXACO's Application for Triple Tubingless Completion for the C. C. Fristoe 'b' NCT-2 Well No. 7, located 700 feet from the North line and 330 feet from the East line, Unit A, Section 35, T-24-S, R-37-E, Lea County, New Mexico. TEXACO plans to complete this well as a triple tubingless oil completion in the North Justis (Ellenburger, Waddell, McKee) Pools. It is anticipated that all zones will be oil completions and will flow initially. Approval has been granted previously by the New Mexico Oil Conservation Commission for these zones per memorandum letter dated July 10, 1962.

Also attached is a copy of the plat showing the area immediately surrounding TEXACO's C. C. Fristoe 'b' NCT-2 lease and a diagrammatic sketch of the proposed triple tubingless completion. It is respectfully requested that TEXACO Inc. be granted administrative approval for this application as provided for under Rule 112-A.

Yours very truly,

J. G. Blevins, Jr.  
Assistant District  
Superintendent

ODE-jr
