17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Mr. Eddie Seay of the New Mexico Oil Conversation Commission conducted a casing leak survey on 8-12-77 at Westates Federal No. 8 and found the well to be satisfactory.

Above ground level valves and connections for all bradenheads have been properly tagged for identification and will remain in place for subsequent inspection.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
