re: Non-standard gas unit
Section 2-25-37, Lea
County, New Mexico

Dear Mr. Aikman:

Please refer to your letter of September 17th on this subject which you addressed to our Roswell office. Mr. Hall has referred your letter to this office for reply.

You are correct in your assumption that Continental Oil Company is the operator of a 160-acre unit on the SE/4 of Section 2-25-37, Lea County, New Mexico.

Continental Oil Company has no objection to your forming a non-standard gas unit consisting of the NE/4 NE/4 and S/2 NE/4 of Section 2, T-25-S, R-37-E, Lea County, New Mexico for your Hale-State Well No. 1.

We regret the delay in our replying to your letter.

Yours very truly,
