Re: Application For Triple Completion,
State A-2 No. 2

Gentlemen:

We forward herewith application in duplicate for authority to effect a tubingless triple completion in the Drinkard, Devonian and Fusselman formations of the N. Justis multipay pool in our State A-2 No. 2. The proposed well is to be located in Unit J-2-25-37, Lea County, New Mexico.

Duplicate copies are being furnished your Hobbs Office and copies by registered mail are being furnished all offset operators by copy of this letter.

We are informed that Elwyn C. Hale has succeeded Claude Aikman as lessee of S/2 NE/4 Section 2 and that the Anderson-Prichard properties have been acquired by Union Texas Petroleum Corp.

Since the well has not yet been drilled we are unable to furnish logs at this time, but they will be furnished in accordance with your requirements when they become available.

We should appreciate your further handling of this matter and, in due course, receiving your order approving our application.

Yours very truly,

SIGNED WM. A. MEAD
