Dear Sir:

Humble Oil and Refining Company respectfully requests administrative approval to dual complete its New Mexico State EM-1, North Justis Pool, Lea County, New Mexico, located in Unit 1, Section 2, T-25-S, R-37-E. This is a multiple completion (combination) whereby one string of 4-1/2-inch casing and one string of 2-7/8-inch casing were run and cemented in a common well-bore. The McKee pay will be produced through the 4-1/2-inch string, which is tubed with 2-3/8-inch tubing, and the Fusselman pay is producing through the 2-7/8-inch string.

Permission was previously granted Humble Oil and Refining Company to dual this well in the Ellenburger and Fusselman pays by Order R-2114. The Ellenburger completion was unsuccessful and has been plugged and a successful completion has been made in the McKee pay.

Yours truly,

HUMBLE OIL & REFINING COMPANY

THE HISTORY OF THE UNITED STATES

OF THE

AMERICAN

REPUBLIC

The history of the United States is a story of a young nation that grew from a small colony of settlers to a powerful republic. The story begins with the first settlers who came to the Americas in search of a new life. They found a land of opportunity, but also a land of challenge. The settlers had to learn to live in a new environment, to work the land, and to build a community. They faced many hardships, but they persevered and eventually established a thriving society. The story of the United States is a story of the triumph of the human spirit over adversity. It is a story of the courage and determination of the people who built this nation. It is a story of the values and principles that have guided us through the centuries. The history of the United States is a story that inspires and motivates us to this day.
