Re: NSP-369

Application of El Paso Natural Gas Company for Administrative Approval of a 160-acre Non-Standard Gas Production Unit in the Jalmat Gas Pool for the El Paso Natural Gas Company Wells Federal #3 Well which is located in the NE/4 SW/4 of Section 4, Township 25 South, Range 37 East, N.M.P.M., Lea County, New Mexico

Gentlemen:

In accordance with the suggestion made by Mr. Warren Mankin of your office this date by telephone, we wish to advise, in regard to the captioned 160-acre tract, that El Paso Natural Gas Company holds the gas operating rights under the SW/4 of Section 4, Township 25 South, Range 37 East, N.M.P.M., and for this reason a communitization agreement is not necessary. We request that an allowable be assigned to our Wells-Federal #3 Well at your earliest possible convenience.

Very truly yours,

EL PASO NATURAL GAS COMPANY
