Re: Verification of API Numbers
Wells Federal Well #1, Unit I, Sec. 5, T25S, R37E (1980/S & 660/E)
Wells B-5 Well #1, Unit A, Sec. 5, T25S, R37E, (330/N & 990/E)

Gentlemen:

This is to certify that the above-referenced wells were permitted prior to the time that the Oil Conservation Division began assigning Well API numbers; but, we have carefully researched a micro fiche of API numbers assigned by Petroleum Information to wells permitted prior to 1967, checking TD and completion date and certify that the API numbers for these wells are as follows:

Wells Federal #1--- 30-025-11462
Wells B-5 #1 --- 30-025-11460

Very truly yours,

OIL CONSERVATION DIVISION
