Gentlemen:

Your letter of February 24, addressed to our Jal office, has been referred to our Oklahoma City office for answer. In this connection, please be advised that Form C-104 and C-110 were filed in error, and we ask that you please disregard same, as this well will be taken over and operated by El Paso Natural Gas Company, the owner of the dry gas under this 160-acre gas unit.

If you desire any other information in connection with the above, kindly let us know.

Yours very truly,

R. OLSEN
