17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1603.

The cellar was dug out on this well, showing a satisfactory connection below ground level.

Risers are installed and the subject well was inspected August 1, 1977, by Mr. Melvin Crossland of the Oil Conservation Commission.

Since risers are installed and below ground level connections have been inspected, we respectfully request an Exception to the provision of digging out the cellar during annual inspections.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
