---	--	---

The cellar was dug out on this well, showing a satisfactory connection below ground level.

Risers are installed and the subject well was inspected August 1, 1977, by Mr. Melvin Crossland of the Oil Conservation Commission.

Since risers are installed and below ground level connection have been inspected, we respectfully request an Exception to the provision of digging out the cellar during annual inspections.

<p>18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.</p>
