RE: Change of Operator
Wells WN #1-G Sec. 6, G25S, R37E

Gentlemen:

We are returning Form C-104 for the above-referenced well on which you had shown a change of operator from ARCO oil & Gas Company to Quantum Energies Company.

After a discussion with your office and Mr. John Seay of Seay Exploration we were advised that the change to Quantum was not acceptable to the BLM and that the well will be operated by Seay Exploration Inc. The change to Seay Exploration Inc. will be processed May 8, 1992.

Very truly yours,

OIL CONSERVATION DIVISION
