Re: Woolworth G 3-1 and Meter Station No. 60-868

Gentlemen:

The subject gas well located in Unit M of Section 6, Township 25, Range 37, Lea County, New Mexico, was disconnected from the El Paso Natural Gas gathering system on 10-4-83. The well is now productive, and Phillips is requesting that the blind plate at the subject meter run be removed.

Yours very truly,

A. A. Hochstein
