Mr. R. W. Spurrier, Director
New Mexico Oil Conservation Commission
Santa Fe, New Mexico

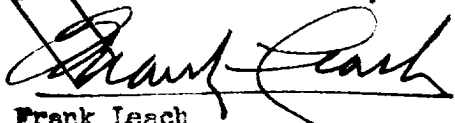

Dear Mr. Spurrier:

On May 13, 1946, we received Form C-102 approved by Mr. Roy Yarbrough covering reconditioning work on our Burleson #1, NE NE NW Section 8-25S-37E, Langlie Field, Lea County, New Mexico.

We are now in a position to proceed with the reconditioning work as set out in approved Form C-102, however, since it has been over a year since this approval was granted, we would like to know if we may still proceed with the work as outlined without obtaining additional authority.

Very truly yours,

BRIDGEPORT OIL COMPANY, INC.
