Attention: Wayne C. Cheek

Gentlemen:

Your letter of August 22, 1937 states that according to your records the Prichard No. 1-A in Section 9, T-25-S, R-37-E is classified as a gas well. A check of the records on file in this office indicates, however, that in compliance with a request from us dated June 26, 1937 Forms C-110, C-128 and C-104 showing a potential of 36 BO in 24 hours were submitted. This well now has an oil allowable in the Jalmat Pool.

We shall appreciate your again checking your records and advising as to the present status of the well.

Yours very truly,

OIL CONSERVATION COMMISSION
