

The allowable production from Three States Natural Gas Company's Francis S. B. Stuart non-standard gas proration unit, as compared with the allowable production therefrom if this tract were a standard unit, be in the ratio which the area of the non-standard proration unit (to-wit: 40 acres) bears to a standard proration unit.

Respectfully submitted,

THREE STATES NATURAL GAS COMPANY

By 
Joseph P. Donahue, Jr.
Attorney

[illegible]
