Re: Gas Well Plat

Gentlemen:

We are returning gas well plat filed on your Stuart #1-M in Section 10-25S-37E, as you have not outlined the acreage dedicated to this well.

We note that on your Form C-104 you state that this is a 40 acre lease. It will be necessary for you, also, to file an application for a non-standard unit on this well. We are enclosing a copy of a memorandum concerning the filing of these applications.

Yours very truly,
