

NEW MEXICO OIL CONSERVATION COMMISSION SEP 17 PM 6:1-560
SANTA FE, NEW MEXICO

PACKER-SETTING AFFIDAVIT
(Dual Completions)

STATE OF New Mexico)
County of Lea) ss

G. W. Osborn, being first duly sworn according to law, upon his oath deposes and says:

That he is of lawful age and has full knowledge of the facts herein below set out.

That he is employed by Gulf Oil Corporation in the capacity of Production Foreman and as such is its authorized agent.

That on 8-8, 19 58, he personally supervised the setting of a Baker Model "D" in Gulf Oil Corporation's
(Make and Type of Packer) (Operator)

Leary McPhaffington Well No. 9, located in Unit
(lease)
Letter M, Section 38, Township 25, Range 37, NMPM,
Lea County, New Mexico.

That said packer was set at a subsurface depth of 6915 feet,
said depth measurement having been furnished by Schlumberger.

That the purpose of setting this packer was to effect a seal in the annular space between the two strings of pipe where the packer was set so as to prevent the commingling, within the well-bore, of fluids produced from a stratum below the packer with fluids produced from a stratum above the packer. That this packer was properly set and that it did, when set, effectively and absolutely seal off the annular space between the two strings of pipe where it was set in such manner as that it prevented any movement of fluids across the packer.

Gulf Oil Corporation
(Company)

G. W. Osborn
(its Agent)

Subscribed and sworn to before me this the 16th day of September, AD, 19 58.

J. C. Hummell
Notary Public in and for the County
of Lea, State of New Mexico.

My Commission Expires 3-14-62.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable sources of information.

3. The third part of the document describes the process of identifying and addressing potential risks and challenges. It stresses the importance of proactive risk management and the need to develop effective strategies to mitigate potential threats.

4. The fourth part of the document discusses the role of communication and collaboration in achieving the organization's goals. It emphasizes the importance of clear communication and the need for all team members to work together effectively.

5. The fifth part of the document provides a summary of the key findings and conclusions of the study. It reiterates the importance of maintaining accurate records and the need for a systematic approach to data collection and analysis.

6. The sixth part of the document provides a list of references and sources used in the study. It includes a variety of academic journals, books, and other sources of information.

7. The seventh part of the document provides a list of appendices and supplementary materials. These include additional data, charts, and other information that may be useful for understanding the study's findings.

8. The eighth part of the document provides a list of acknowledgments and thanks. It expresses appreciation for the support and assistance of all those who contributed to the study.

9. The ninth part of the document provides a list of contact information for the authors and other relevant parties. This includes email addresses, phone numbers, and other ways to reach the study's team.

10. The tenth part of the document provides a list of other resources and information that may be useful for readers. This includes links to websites, additional documents, and other sources of information.
