Re: Langlie Federal "A" Lease
Well No. 1, Located 2310' FNL
& 330' FEL of Section 14, T25S,
R37E, Lea County, New Mexico

Gentlemen:

While running the initial packer leakage test on our Langlie Federal "A" Lease, Well No. 1, (reference our letter of September 7, 1961), a tubing leak was discovered. As soon as this tubing failure is repaired we will conduct another packer leakage test. The schedule for this packer leakage test will be submitted through normal channels.

Yours very truly,
