INSTRUCTIONS

1. Is this gas well a dual completion? Yes ____ No X.
2. If the answer to Question 1 is Yes, are there any other dually completed wells within the dedicated acreage? Yes _____ No _____

A separate plat must be filed for each gas well, outlining the area dedicated to such well and showing the location of all other wells (oil and gas) within the outlined area.

Mail in duplicate to the district office for the district in which the well is located.

Communitization negotiations are in progress. In the event diligent negotiations fail to consummate a communitization agreement, an unorthodox proration unit will be sought through proper notice and hearing.
