Mr. Stanley J. Stanley
New Mexico Oil Conservation Commission
Hobbs, New Mexico

Dear Sir:

Attached, in quintuplicate, is Form C-101 outlining our intention to recomplete our J. R. Stuart No. 2 as a gas well in the Langmat Gas Pool, Lea County, New Mexico.

This well at present is a small oil producer completed in the Langlie-Mattix Pool and we propose to plug back and perforate the Yates gas sand for recompletion.

~~Very truly yours,~~

SUN OIL COMPANY
