RE: Our E-5018 #1 State Well  
NE $\frac{1}{4}$ NE $\frac{1}{4}$  Section 16-25S-37E  
Lea County, New Mexico

Oil Conservation Commission  
Santa Fe, New Mexico

Gentlemen:

When the above well was completed, we submitted C-110 with the notation "Gas being flared, awaiting contract with El Paso Natural Gas Company."

We have today been advised by the El Paso Natural Gas Company that the delay has been due to shortage of line pipe, but that pipe will be available shortly and connection should be made within the next ten days.

Yours very truly,

LEONARD OIL COMPANY
