13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

The well has not been producing gas in paying quantities. We plan to treat the well with fresh water and surfactant followed by an acid treatment in the next ten days to increase production.

The well is to be treated with fresh water on or about October 17, 1994.
