Yates & Seven Rivers Completions
Langite Mattix Field
Lea County, New Mexico**

Gentlemen:

In order to comply with the Commission rule of a twenty day waiting period on wells to be dually completed, we are on this the 3rd day of April, 1959, sending to you, with copies of the lease plat and diagrammatic sketch, copies of an application to dually complete the above subject well. The logs of this well are not available, but will be furnished as soon as possible.

This well will be completed for gas in the Yates Zone and for oil in the Seven Rivers and will be known as the Hamer #2.

If you find this application to be in order, please let us have your approval upon expiration of the required waiting period.

Yours very truly,

JAL OIL COMPANY, INC.

Dear Sir: Your letter of April 1, 1939, regarding the proposed lease for the well in the Santa Fe area, is hereby acknowledged. The lease for the well is not available, but will be furnished as soon as possible.

Very truly yours,

In order to comply with the Commission rule of a twenty-day waiting period on wells to be drilled completely, we are on this date (April 2, 1939), sending to you, with copies of the lease and a descriptive sketch, copies of an application to the Santa Fe Oil Conservation Commission. The lease for the well is not available, but will be furnished as soon as possible.

This well will be completed in the Santa Fe area and will be drilled in the near future and will be placed on production.

If you find this application to be in order, please let us know your approval upon expiration of the required waiting period.

Very truly yours,

JAL OIL COMPANY, INC.
