Attention: Mr. R. F. Montgomery, Proration Manager

Gentlemen:

This will acknowledge receipt of your letter of the 3rd, inquiring as to the status of the above location, for which Form C-101 was filed last June and approved by you July 20, 1956.

We have not yet drilled this well but have been attempting to complete pooling arrangements with offset acreage before commencement of operations, after which we are planning to start drilling this well.

We trust that the above explanation will satisfy your records in respect to this operation.

Yours truly,

John S. McDermott
