Gentlemen:

Form C-103 filed March 11, 1960 for your Harner No. 1 in Unit O of Section 20, T-25-S, R-37-E indicates that the well has been recompleted from the Langlie Mattix to the Jalmat Pool.

This is to advise you that the allowable in the Langlie Mattix Pool is being cancelled effective May 1, 1960. In order to obtain an allowable in the Jalmat Pool it will be necessary to submit Form C-104, C-110 and C-128 outlining the dedicated acreage. Further, since this work was done in February, 1960, it is requested that a completion gas-oil ratio test be submitted on Form C-116 also.

Yours very truly,

OIL CONSERVATION COMMISSION
