In re: Crosby Devonian Gas Proration Unit  
SW/4 Sec. 21, T-25-S, R-37-E  
Lea County, New Mexico

Mr. R. Olsen  
2811 Liberty Bank Building  
Oklahoma City 2, Oklahoma

Dear Sir:

This is to advise that Humble Oil & Refining Company is agreeable to joining in the formation of a 160 acre Devonian gas proration unit covering the SW/4 of Section 21, T-25-S, R-37-E, Lea County, New Mexico, subject to mutually satisfactory operating and communitization agreements.

It is our understanding that all owners of oil and gas interests in and under the SW/4 are to communitize and pool their respective interests into one 160 acre communitized unit. The owners of working interests and owners of unleased mineral interests are to jointly, on an acreage basis, pay the cost of drilling a Devonian test well to be located within the unit.

Thank you very much.

Yours very truly,

R. M. Richardson
