Oil Conservation Commission
Washington, D.C.

Dear Sirs:

Reference is made to your letter of August 1st, 1934, and to the report of the American Petroleum Corporation dated August 1st, 1934, in connection with the proposed amendment to the National Petroleum Conservation Act.

Very truly yours,

In response to your letter of August 1st, 1934, we have advised the Commission of the fact that the American Petroleum Corporation has no objection to the proposed amendment to the National Petroleum Conservation Act, and that the Commission is authorized to take such action as it may deem proper.

We are, however, unable to advise you as to the result of the Commission's action on the proposed amendment to the National Petroleum Conservation Act, as the Commission has not yet reached a decision thereon.

Sincerely yours,

cc: American Petroleum Corporation
