Ajax Drilling Corp.,
Republic Bank Building,
Dallas, Texas.

Attention: Mr. Keilty

Dear Sir:

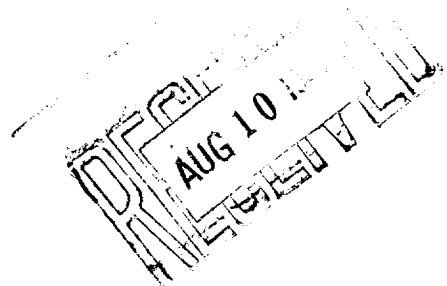

Attached hereto find copies of all reports filed with the New Mexico Oil Conservation Commission by this office on Lanehart Well #1. Part of these reports were originally filed showing Anderson-Prichard Oil Corp. as operator, but all have now been changed to show both Anderson-Prichard Oil Corporation and Ajax Drilling Corporation as operators.

We were unable to contact you in Dallas today so talked to Mr. Fred Herschback and advised him that the drilling bond you called about Saturday would have to be filed immediately by either A-P or Ajax or both.

Yours very truly

Frank Gray
