Oil Royalty Company
Fort Worth National Bank Bldg.
Fort Worth, Texas

Gentlemen:

It is my understanding you anticipate drilling a well in the Mexico in the near future, so I am enclosing three copies of form O-101, "Notice of Intention to Drill" for you to fill out and submit to me in triplicate.

It is necessary that the Notice of Intention to Drill be approved before drilling operations begin.

Very truly yours,

FJV:t.

F. J. Vorely,
State Oil & Gas Inspector.
