Dear Sir:

I have just returned from a vacation to receive your letter of January 7.

I am sorry that we have been tardy in submitting the reports. We assumed that they were handled by our contractor, Stovall & Love Drilling Company, as they were on previous wells. The contractor must have assumed that we were making them.

I plan to visit you in Carlsbad in a few days in order to get the report blanks and to fill them out properly.

Very truly yours,

Ronald K. DeFord
