

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

THE UNIVERSITY OF CHICAGO PRESS

The University of Chicago Press is a not-for-profit organization that has been operating since 1887. It is one of the oldest and largest academic publishers in the world. The press publishes a wide range of books, journals, and electronic resources. It is committed to the highest standards of scholarship and to the advancement of knowledge.

The press is organized into several departments, each of which is responsible for a specific area of publishing. These departments include the Press Office, the Editorial Department, the Production Department, and the Distribution Department. Each department is headed by a senior editor or manager who is responsible for the overall quality and direction of the press's publishing program.

The press is also committed to the advancement of scholarship and to the advancement of knowledge. It does this by publishing the best and most original work in the fields of the humanities, social sciences, and natural sciences. It also publishes books and journals that are of interest to a wider audience.
