Dear Sir:

Enclosed you will find a copy of my letter
to the Spencer Drilling Company and their reply.
I am self-explanatory. Will you kindly check
your records and see what happened to form C-101,
"Statement of Intention to Drill" for the Stewart well
No. 1, in Sec. 2, T. 25 N., R. 37 E., which was sub-
mitted to the Santa Fe office in triplicate, on October
14, 1944.

Kindly return the enclosed copy of my letter and the
letter from the Spencer Drilling Company for my files.

Very truly yours,

FJV:t

F. J. Vesely.
