Mr. F. J. Veseley,
State Oil & Gas Inspector,
Box 552,

Dear Sir:

We have your letter of December 15th, calling to our attention the fact that you have not received Form C-101 on our Stewart Well No. 1 located in the NE/4 Section 22, Twp. 25-S, Range 37-E, Lea County, New Mexico. The original of this form was filed October 12, 1936, as you will note, with the Oil Conservation Commission, Santa Fe, New Mexico, in triplicate, and are at a loss to know why you have not yet received your copy.

Because of lease expiration date, it has been necessary for us to proceed with the drilling prior to the return of the approved form.

We would appreciate it if you would check our proposed casing and cementing program and advise us if this meets with your requirements.

Thanking you for your prompt attention to this matter, we are

Very truly yours,
