(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Water, believed to be from the Rustler, has broken through the casing and drowned out production of oil and gas from the Queen. We propose to locate leak with packer on tubing, shut off water and test Queen zone. Subsequent reports of results will be filed upon completion of work.

18. I hereby certify that the foregoing is true and correct
