Re: Exception to Rule 303-A
Well Bore Commingling
Wimberly Well No. 3
Justis Blinebry and
Justis Tubb-Drinkard Oil Pools,
Lea County, New Mexico

Gentlemen:

Texas Pacific Oil Company, Inc., requests administrative approval to commingle in the well bore oil production from the Justis Blinebry and Justis Tubb-Drinkard pools in the Wimberly Well No. 3 located in Unit H, Section 23, Township 25-S, Range 37-E, Lea County, New Mexico.

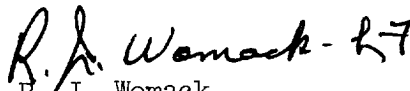

It is believed the subject well, for which well bore commingling approval is requested, qualifies under provisions of State Wide Rule 303-A. Both zones are classified as oil zones and will be produced by artificial lift.

A data sheet is attached listing required information for the two zones.

Copies of this application to offset operators and mailing list are attached.

Very truly yours,

TEXAS PACIFIC OIL COMPANY, INC.
