Gentlemen:

This is to advise that on February 22, 1966, the Sinclair Oil and Gas Company's Wimberly WN No. 1, Jalmat gas well located in Unit F of Section 23, Township 25, Range 37, Lea County, New Mexico, was disconnected from El Paso Natural Gas Company's gathering system.

This disconnection was due to the well being dead and Sinclair Oil and Gas Company plans no remedial work in the near future.

Yours very truly,

EL PASO NATURAL GAS COMPANY
