Dear Mr. Burleson:

The recently submitted gas-oil ratio test for your Cook Well No. 2 located in Unit P of Section 28, T-25-S, R-37-E, indicates that the well should be reclassified as an oil well in the Jalmat Pool. This reclassification is being made effective September 1, 1979.

Please submit two copies of a revised Form C-102 outlining a 40 acre oil proration unit for the well. If a change of transporter occurs due to this reclassification, please also submit Form C-104 in quintuplicate so indicating.

Yours very truly,

OIL CONSERVATION DIVISION
