Re: Atlantic State "Y", Well No. 4
Justis (McKee) and Justis (Ellen-
burger) Fields, Lea County,
New Mexico

Gentlemen:

On January 28, 1959, we submitted an application to dually complete the subject well. At that time, it was planned to complete the well in the Justis (Montoya zone) and the Justis (Ellenburger zone). On February 20, 1959, we submitted a revised application to complete the well in the Justis (McKee zone) and the Justis (Ellenburger zone). When we submitted the revised application, we failed to request that the original application be cancelled.

We are now requesting that the original DC-731 for the State "Y" No. 4 (Montoya and Ellenburger) be cancelled, and please accept our February 20, 1959, application to complete this well in the McKee and Ellenburger zones.

Very truly yours,

R. E. Howard
Regional Petroleum Engineer
