Gentlemen:

It has come to my attention that you have two wells on your Carlson Federal lease (#NM-0766) which share the same 40-acre proration unit with two different names as indicated above. In order that they may both appear in the proration schedule on the same proration unit they must have the same lease name.

Please file Form C-104 changing the lease name on one well so that they will agree.

Very truly yours,

OIL CONSERVATION DIVISION
